Living Stones Community,

In keeping with our promise, here is your quarterly update on the financial climate of Living Stones. We're currently tracking with our projected income, which is good news; but it is crucial that we continue to meet and exceed this standard in order to move forward in the months ahead. Our ongoing and increasing sacrifice must continue as we transition into our new building.

Sunday, July 11th was an important step in our journey forward: *the launch of the Living Stones Downtown Campus Registry*. Furnishing our new home at 445 South Virginia is going to be a community effort and the Registry allows us to make visible progress together as we chip away at the categories of needs. *Keep in mind that these contributions are above and beyond your regular giving*. Get creative! See what you can do as a family or a Small Group. Here is a brief explanation of how the Registry works:

- Log onto <http://www.livingstonesreno.com/registry.html> (accessible from our home page).
- Read the message from Pastor Harvey/view the video, review the 7 categories of needs below (A/V Tech, Chairs, General Construction, Office Supplies, IT, LS Kids and the Baptismal) and select which one you'd like to contribute to by clicking "Chip In" on your category of choice.
- Enter the dollar amount and enter your payment information; you may pay with your PayPal account or enter your credit/debit card information.

We cannot thank you enough for your sacrifice for God's Kingdom. He is advancing his cause in the city of Reno and it's an honor to strive alongside you. If you have any questions about the quarterly report, contact Lindsay Nelson, Staff Deacon of Finance & General Administration (lindsay@lsreno.com). If you have any questions about the Registry or the building itself, please email us at "downtown@lsreno.com."

Serving Him With You,
The Living Stones Elders
